ASSISTANT PRINCIPAL, 20's, MALE OR FEMALE

Harmony sits across from Assistant Principal's desk, chewing gum.

ASSISTANT PRINCIPAL 2

Okay, Harmony. I uh... I'm not sure I really understand this one. You're classmates all asked me to talk to you because they say you are a "heart breaker."

HARMONY

Ya. If you wanna talk to this, you better get ready to have your heart do this.

Harmony makes a heart with her hand, breaks it.

HARMONY (CONT'D)

Because I'm gonna break. Your. Heart. (Singing)
I'm gonna break your heaaaart.

ASSISTANT PRINCIPAL 2

Okay.

HARMONY

The boys are all like "ooh... let me talk to this." And I'm all "well bring your heart, because I'm gonna take it. And break it." Cause that's what I do.

ASSISTANT PRINCIPAL 2

Okay. First of all, if this is true. That you are actually going around and breaking boy's hearts on purpose... well that's a very cruel thing to do.

HARMONY

I don't care about nice. I just care about boy's bein' like "ooh, Harmony, I love you so much.

(MORE)

HARMONY (CONT'D)

Let me buy you gold and fancy dinners” and me bein’ like “Thanks boy. Now give me that heart of yours cause I’m bouts ta rip it up. Rip. Rip. Rip. Rip. Rip.”

ASSISTANT PRINCIPAL 2

Why though? Why are you doing this to them?

HARMONY

Cause that’s what I do!

ASSISTANT

Fine. Look, I kind of think you’re lying because.... I don’t believe anyone would actually... fall in love with you.

HARMONY

What?!?

ASSISTANT PRINCIPAL 2

You just seem like a... horrible person. I mean there is nothing appealing or relatable about you so I don’t understand why anyone would like you, let alone fall in love with -

HARMONY

Whatever! Breakin’ hearts isn’t about bein’ nice and listenin’ when people talk. It’s about bein’ all hot by chewin’ gum and pretendin’ to be a puppy.
(Harmony pretends to be a puppy). Mmmm.
Mmmm.. Can you take care of me I’m just a puppy.
(being a person again). That’s how you get a man,
and that’s how you break. Their. Heart. (singing)
That’s how you break their heeeeerrrrttt.

ASSISTANT PRINCIPAL 2

Nothing you’re doing should be attractive to anyone!
Okay, where are you even getting this?!?

HARMONY

Break-N-Hearts.blogspot. It’s a blog written by my totes fav pop star who got dumped by her movie star boyfriend so now she hates all men and just wants to break every guy’s heart.

(MORE)

HARMONY (CONT'D)

And since I like her music like.... so much, I'm gonna break their hearts too. Cause you don't mess with Milky Toast-Toast.

ASSISTANT

Who's Milky Toast-toast?

HARMONY

Milky Toasty-toast is the popstar! How do you not know that?!?

ASSISTANT PRINCIPAL 2

Look! Regardless of how great Milky Toast's music is.

HARMONY

Milky Toast-toast. Milky toast? That's so dumb, who would call themselves just Milky Toast?

ASSISTANT PRINCIPAL 2

Regardless! You can't... keep acting like this. I've gotten complaints for everybody at the school except Milton, that awkward kid that wears a Chewbacca costume to school every day.

HARMONY

Oh Milton's on my list. I'm gonna be all (chewbacca voice) aaaaahhhh!

ASSISTANT PRINCIPAL 2

Harmony.

HARMONY

That's how you break a wookie's heart. You have to speak their language.

ASSISTANT PRINCIPAL 2

Harmony.

HARMONY

What?!? What do you want what?!

Beat.

ASSISTANT PRINCIPAL 2

You're suspended.

HARMONY

Wow. Huh. I didn't think you'd actually go there.
Gosh maybe I care too much about pop music.
Maybe I should be developing my own personality,
and not care so much about a person I've never even
met, who's in no way capable of being a role model.

ASSISTANT PRINCIPAL 2

Wait. Do you really... think that? Have I actually
gotten through to you?

Jimmy pops his head in.

JIMMY

Sorry to interrupt. Milton's here for your 3:30.

HARMONY

Milton! My white whale!

Harmony runs off stage.

ASSISTANT PRINCIPAL 2

No! Please leave Milton alone. He's having such a
hard freshman year.

HARMONY (OFF)

Hey Milton, I love your wookie costume. It looks
totes authentic.

MILTON (OFF)

Maaaaaaahhhh!!!!

ASSISTANT PRINCIPAL 2

God damn it.

Lights out.
