JENNA, 16, Female

MARK, 16, Male

The bell rings. JENNA grabs MARK.

JENNA
Marty. Marty. Marty!

MARK
Uh... sorry?

JENNA
I'm saying your name like, "Hey
Marty!" Or "Stop Marty." But
instead of saying, "Hey" or "Stop,"
I'm just saying, "Marty."

MARK
Yeah, I get that.

JENNA
So what's the problem?

MARK
That's not my name.

JENNA
No? What's your name?

MARK
Mark.

JENNA
Mark? Really?

MARK
Definitely.

JENNA
I feel like I've always called you
Marty.

MARK
I think you have.

JENNA
But that's not your name?

MARK

Nope.

JENNA

Are you sure?

MARK

I am very sure of my own name, yes.

JENNA

Huh. Let's start over.

MARK

Sure.

JENNA

Mark.

MARK

Yes.

JENNA

You have English second period with John Stenson don't you?

MARK

John Stetson.

JENNA

Sorry?

MARK

His name is John Stetson.

JENNA

No, that's a different guy. Your thinking of tall John. Like 6 foot 10 guy named John.

MARK

Yeah.

JENNA

That's John Stetson. I'm talking about John Stenson. S-T-E-N-S-O-N.

MARK

With an N.

JENNA

Yes.

MARK

Not a T.

JENNA
Stennnson. N.

MARK
Huh. I don't know him.

JENNA
Black hair. Glasses. Never uses
contractions.

MARK
He never uses contractions?

JENNA
Never, he finds them lazy.

MARK
Okay...yeah. I know him. He's
Vice President on student
government.

JENNA
Yes.

MARK
But his name's Shawn.

JENNA
No.

MARK
Shawn Stenson.

JENNA
Shawn's his brother. They look the
same but Shawn's two years younger.

MARK
Are you sure?

JENNA
Positive.

MARK
You thought my name was Marty.

JENNA
I know. Just...I mean John. I know
John. His name is John.

MARK
I think I've been calling John
Shawn.

JENNA
 Could you give him this note. From
 me.

MARK
 Uh...yeah. To Shawn.

JENNA
 John.

MARK
 John. Stetson.

JENNA
 STENSON!

MARK
 Right. Stenson. Not tall. Not
 Shawn.

JENNA
 It's...really important. Really
 important. I gotta go to class.

MARK
 Okay.

JENNA
 Thanks. You're the best Mark!

MARK
 Yeah.

Jenna walks away.

MARK (CONT'D)
 Wait, why am I doing this?
